

Always forgetting a check on Sunday?
Who has checks anymore?
Would you prefer to give to PHBF through online banking?

You can send offerings directly to PHBF from your online banking account.

- Log-in to the bank account
- Add “payee” or “biller” or whatever term your bank uses
If your bank requires you to enter an account number, make one up (e.g., 1111).
Some banks will let you select “pay a person” so an account number is not required.
For a visual explanation, please see the two examples below.
- Enter PHBF information below (Please use PO Box for donations):
Parker Hills Bible Fellowship
PO Box 1404 ~~7137 E. Parker Hills Ct.~~
Parker, CO 80134 ~~Parker, CO 80138~~
303-841-9970
- Save new “payee” or “biller” and you should be ready to go.
- Your bank will mail a check to PHBF and we will put in the offering.

Please contact David Kurz if you have any questions or would like additional information.

Donations are received with the understanding that Parker Hills Bible Fellowship (PHBF) has complete discretion and control over all donated funds. In practice, PHBF implements donor instructions for Elder-identified programs/missions whenever possible.
